

## **Mario V. Armani, D.C.**

58 E La Vieve Lane  
Tempe, AZ 85284  
(480) 818 - 9053  
marioarmani@protonmail.com

**Objective:** To obtain a challenging and rewarding occupation with the possibility of growth and advancement, while contributing to the efficiency, expansion, profitability, and success of the company or organization.

**Profile:** I am a focused and detail-oriented professional who achieves goals by maintaining excellent multi-tasking and time-management abilities. I have an aptitude for quickly grasping new concepts and methodologies. I also demonstrate strong written, oral, and interpersonal communication skills, which are essential when becoming an integral part of a team.

**Education:** **Marist University**, Poughkeepsie, New York  
*Bachelor of Science in Biology*, May, 2003  
Graduated Magna Cum Laude G.P.A. 3.6 / 4.0

**Southern California University of Health Sciences**, Whittier, California  
*Doctor of Chiropractic*, April, 2007 G.P.A. 3.2/ 4.0  
Graduated Deans List

**University of Arizona James E. Rogers College of Law**, Tucson, Arizona  
*Master of Legal Studies (Health Law Concentration)*, Current Online Student

**Skills:** Management Skills: I maintain a strong work ethic, exceptional problem solving and organizational skills, and I am comfortable working in a fast-paced and dynamic workplace. I have effectively and efficiently branded, developed, and managed all aspects of various organizations. I have grown businesses utilizing innovative marketing strategies, while implementing customer service-based business models. I spent a substantial amount of time developing/training employees/staff to reach their maximum potential. I successfully developed a systematic method to continue growing the organizations, while out performing long established local competitors.

Medical Related Skills: Proficient taking a patient history, performing physical examinations, diagnosing neuro-musculoskeletal conditions, taking and analyzing x-rays, teaching and implementing physiological therapeutics/active-care/rehab, providing nutritional advice/counseling, taking detailed SOAP notes, and maintaining private patient records in compliance with HIPAA. I am experienced with Acupuncture, Dry Needling, MRT, NIMMO, Cross Friction Massage, Trigger Point Therapy, Post Isometric Relaxation, Acupressure, Ultra Sound, Electrical Muscle Stimulation, Diathermy, Laser Therapy (specifically with Erchonia, Chattanooga, and Bioflex Class 3B Lasers; and the RemyFX Class 4 Laser), Activator/Arthrostim/Impulse/Proadjuster Technique(s), Thompson, Flexion/Distractio, Diversified Chiropractic Manipulative Therapy (CMT), and Cervical/Lumbar Spinal Decompression utilizing DRX 9000 technology.

Languages: Fluent in English, but I understand a fair amount of Spanish and Italian.

Additional: I have been thoroughly educated in CPR and First Aid; trained to deal with emergency procedures/situations. I am technology savvy. I have a proficient understanding of computers, the internet/internet research, social media management, data collection, smart phone applications, various EHR's computer applications such as Microsoft Office, Word, Excel, PowerPoint, etc. I am an active listener, problem-solver, and experienced with analytical comprehension. I am dependable, well-composed, and able to work in both team setting and individually. I pay attention to detail and enjoy collaborating with others.
