## PROFESSIONAL SUMMARY

**STAFF CHIROPRACTOR** utilizing expertise in chiropractic and physical therapy to evaluate and treat disorders of the musculoskeletal and nervous systems while providing a safe and welcoming environment for patients. Detail-oriented team player adept at interfacing with other medical professionals on multidisciplinary teams in a variety of settings. Dedicated professional utilizing interpersonal communication and active listening skills to determine patient needs and rectify issues while delivering patient education that improves overall patient wellness, safeguarding patient satisfaction.

## PROFESSIONAL EXPERIENCE & ACCOMPLISHMENTS

**Stoney Creek Chiropractic** – Washington Township, MI  
*Owner & President*

**01/2014 – Present**

- Operated a chiropractic clinic with associate doctors, a massage therapist, and administrative employees, utilizing leadership and management skills to ensure effective daily operations and stimulate cross-functional team collaboration.
- Led treatment from beginning to end by performing initial consultations, exams, x-rays and follow up re-exams, developing treatment plans that improved patient health and wellness.
- Delivered treatment to a wide variety of clientele including geriatrics, pediatrics, high-profile celebrities, and disabled, utilizing a number of methods including traction tables to loosen joints and relax muscles to assist with patient needs.
- Developed strong relationships with patients, employing interpersonal communication and active listening skills to understand needs, regularly follow-up on progress, and ensure comprehension of treatment; attained patient satisfaction, stimulating patient referrals and new business.
- Provided holistic care by implementing chiropractic practices coupled with various physical therapy techniques into patient care while educating patients on general health matters such as exercise, nutrition, and workout programs; generated home routine programs that enhanced patient overall wellness.

**UHG** – Detroit, MI  
*Associate Chiropractor*

**04/2011 – 10/2013**

- Consulted and treated patients for wellness care and patients involved in motor vehicle accidents, worker's compensation cases, and personal injuries, delivering depositions and video depositions on patient cases to support legal arguments in court.
- Implemented spinal adjustment and joint manipulation to correct joint dysfunctions that disabled proper nervous system control, facilitating correct bodily functions.
- Performed diagnostic imaging consisting of several variations of spinal series including extremities to discover patient issues and provide optimal treatment services.

---

## **Spinal Recovery Center – Warren, MI** *Head Associate Chiropractor*

---

**03/2010 – 04/2011**

- Evaluated patients across the spectrum from pediatric to geriatric, conducting wellness and consultative exams and performing various chiropractic techniques including extremity adjusting that were tailored to client needs.
- Led all aspects of patient care and management including decompression therapy, devising treatments that addressed patient issues.
- Oversaw daily management of the chiropractic clinic when the doctor was unavailable, leading patient communication and operations to maintain and improve business.
- Performed various physical therapy techniques in patient care, working with the physical therapy team to improve physical well-being in areas outside of traditional chiropractic treatment.

## **HealthQuest – Farmington Hills, MI** *Associate Chiropractor*

---

**2009 – 2010**

- Integrated various techniques in spinal adjustments and joint manipulation to correct musculoskeletal disorders, safeguarding patient health and wellbeing.
- Implemented decompression into patient care by using DRX 9000 and VAX-D, providing unique treatments that enhanced clinic positioning in the industry.
- Assessed and treated patients in a variety of legal cases, including motor vehicle accidents, personal injuries, and worker's compensation cases.
- Provided treatment to high-profile athletes, demonstrating excellent customer service to surpass client expectations.

## **Pointe Village Chiropractic – Clinton Township, MI** *Associate Chiropractor*

---

**2007 – 2009**

- Performed spinal adjustment and joint manipulation to correct joint dysfunctions that interfered with proper nervous system control and the integration of bodily functions.
- Provided diagnostic imaging such as several variations of spinal series including extremities, conducting X-Rays and discussing results with patients to ensure understanding of issues.
- Educated patients on general health matters, including exercise, nutrition, and workout programs to improve holistic patient wellness and health.
