Associate Chiropractor/Locum Tenens

Family Practice • Wellness Care • Vitalistic • Sports • MVAs • Personal Injuries • Preventative Care • Diversified Technique • Activator • CBP • Cox Flexion Distraction • Extremities • Gonstead • Motion Palpation • Pierce • Toggle • Thompson • TRT • Foundation Training • KTC

A highly skilled and compassionate subluxation-based chiropractor with over 10 years experience in high-volume, wellness-focused practices. Proven ability to care for patients of all ages and activity levels, with a strong commitment to vitalistic principles, patient education, and long-term health outcomes. Seeking a position in a purpose-driven, vitalistic chiropractic office. Also available as a locum tenens within the South FL community.

Experience

WITHIN Chiropractic — Owner

Delray Beach, FL | Dec 2024 – Present

- Serve as a locum tenens physician at local clinics, offering expert coverage and continuity during provider absences.

Barnick Chiropractic — Associate Chiropractor

Vancouver, WA | Oct 2019 – Jun 2024

- Delivered high-quality care to ~100 patients/week across all age groups.
- Developed individualized care plans using Diversified, soft tissue therapy, and rehab exercises.
- Maintained precise records using Genesis software and collaborated with other health professionals to optimize patient outcomes.
- Frequently worked with athletes to improve performance and prevent injuries.

Just For The Health Of It — Associate Chiropractor

Vancouver, WA | Jan 2018 – Jul 2019

- Managed ~150 patients/week with a focus on Motion Palpation Technique.
- Performed and interpreted digital x-rays using 3DRX Insight and printed models.
- Instructed 3x/week Foundation Training classes (Certified Instructor).
- Treated athletes including runners, lifters, gymnasts, and equestrians for performance, injury, and wellness care.
- Maintained patient records using ChiroTouch and ChiroSight.

Bridge Chiropractic — Clinic Director

Salmon Creek & Woodland, WA | Apr 2017 – Nov 2017

- Directed a satellite clinic, supervising a chiropractic assistant and massage therapist.
- Managed ~50 patients/week, handling exams, x-rays, adjustments, and posture rehab.
- Used Diversified, Flexion Distraction, Toggle, ArthroStim, and Activator techniques.
- Led care plans with postural corrective protocols including cervical traction and home exercises.

Fogarty Life Family Chiropractic — Associate Chiropractor

Rockledge, FL | Jul 2016 – Mar 2017

- Managed ~70 patients/week with subluxation-based care in a family practice setting.
- Performed exams, digital x-rays, reports, and customized adjustments.
- Used Cox Flexion Distraction, Diversified, Activator, Pierce, and Toggle techniques.
- Maintained digital records via ChiroTouch and ChiroSight.
