## PROFESSIONAL SUMMARY

To deliver evidence-based chiropractic care with a focus on rehabilitation, soft tissue therapies, and functional movement. Seeking an opportunity to serve active populations while continuing to develop clinical expertise and contribute to patient-centered healthcare.

## EXPERIENCE

December 2025 - Present

### **Chiropractor**

F.I.T. Muscle and Joint Clinic, Raymore, MO

- Demonstrated excellent communication skills when interacting with patients, staff members, and other healthcare professionals.
- Educated patients on the benefits of chiropractic care and lifestyle modifications.
- Assisted in developing marketing strategies to promote services within the community.
- Managed multiple tasks simultaneously while maintaining strong attention to detail.
- Utilized various medical software programs to manage patient records and billing information.
- Collaborated with other healthcare providers to coordinate comprehensive treatment plans for patients.
- Developed treatment plans for patients based on initial assessments and follow-up evaluations.

January 2023 - Present

### **Facility Supervisor**

Johnson County Parks and Recreation, Shawnee, KS

- Responsible for maintaining facility by performing numerous tasks (cleaning, laundry, equipment maintenance, etc.)
- Customer Service - Greeted patrons, checked in coaches/teams, answered questions, checked out equipment, and answered phone calls.

January 2025 - December 2025

### **Client Success Coordinator and Personal Fitness Coach**

Rare Breed Athletics, Waldo, MO

- Member relations and business admin tasks
- Exercise prescriptions and athlete assessments
- Pain prevention via corrective exercise

May 2021 - August 2022
